

FRIENDS LOOKING OUT FOR FRIENDS - "THE NEW BUDDY SYSTEM"

This card signifies that you have friends who care and you're never alone.

For Unconditional Help I may call:

My Name:

- Maturity is knowing your limitations and when to seek help from trusted friends.
- The Buddy system allows friends to look out for each other, whether it is walking across the street or making sure that someone is not left alone when they cannot take care of themselves.
- Unconditional help is the kind of help that solves the problem without judgment, without ridicule, without asking questions, etc. The kind of help that keeps people safe and looks for answers later.
